Product Name Update: COSMOS Bases

Dear [customer]

As part of our commitment to sustainable palm Stephenson will add the RSPO certificate to the products listed in the table to highlight that they are made using sustainably sourced palm derivatives as required by the COSMOS standard.

Our trading schedule will be updated with Soil Association to reflect the following name change:

<i>BODY WASH BASE C</i>	BODY WASH BASE C-MB
<i>HAIR CONDITIONER BASE C</i>	HAIR CONDITIONER BASE C-MB
<i>SHAMPOO BASE C</i>	SHAMPOO BASE C-MB
<i>LOTION BASE C</i>	LOTION BASE C-MB
<i>CRYSTAL OMP C</i>	CRYSTAL OMP C-MB

We confirm there is no change to the formulation, processing, and performance of each product as this is a name change to align with RSPO standards and permit the use of the RSPO logo as Stephenson continues to promote, educate, and advocate the use of RSPO palm oil/palm derivatives.

Existing stock that does not have '-MB' acronym will still be able to be sold in the market by our customers after the product name update, however, you will need to keep a copy of this statement on file as requested by Soil Association.

If you have any questions please reply to this email or speak with your account manager.

Yours sincerely,

Michaela Daubney
